

THE JUNIOR LEAGUE OF GREENWICH

Women building better communities®

2014-2015 Annual Report

Dear Friends,

The Junior League of Greenwich has made a significant impact on our community for over 55 years by fulfilling our mission of promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Our projects and programs are addressing real needs in the community in areas which include health, wellness and building self-esteem.

The 2014/2015 year was an exciting time for the Junior League of Greenwich as we continued to expand our reach and impact through our community work. Some of our project highlights include: our final “Fit and Fun Fest” event, which featured a wonderful array of food stations, fitness providers and informational tables designed to help combat childhood obesity; our self-empowerment programs, PositivelyMe and PositivelyMore, which target 3rd and 6th grade girls, respectively, and reach over 300 local girls; our final Greenwich Youth Film Festival, which included: six genres, over seventy-five entries, and nine prize categories, and lastly, Done in a Day, which held various events around town including: a food drive to benefit Neighbor to Neighbor; a community lecture on teen sports injury; building a Woodland Trail at Parkway School; Police Day in downtown Greenwich, and a Casino Day at Nathaniel Witherall.

This was a significant year for the Greenwich Pool in Byram Park project and the public-private partnership between the Junior League of Greenwich and the Town of Greenwich. The Board of Estimate and Taxation and the Representative Town Meeting approved funding for the Byram Park Master Plan. The Department of Public Works prepared to secure bids for construction of the new community pool as the Junior League completed its capital campaign plan to raise \$2.5 million.

Our fundraisers also saw great success. The Enchanted Forest welcomed almost seven thousand visitors in November and provided a wide-range of entertainment for children and adults. And, Touch a Truck, our June event, brought over three thousand visitors to the Greenwich Town Hall to enjoy a wide-range of trucks to climb and entertainment, such as bouncy castles, sports and live music.

These are just some of the varied projects and programs that were successfully executed by the members of the Junior League of Greenwich during the 2014/2015 year. On behalf of our over 700 members, we thank you for your continued support in helping us make a lasting difference to the Greenwich community.

Sincerely,

Cathy Youngman
President 2014/2015

Alessandra Messineo Long
President 2015/2016

“We are ordinary women who accomplish extraordinary things....there is nothing ordinary about the women of the Junior League.”

Community Partners

The Junior League of Greenwich has played a major role in designing and establishing a wealth of services for its community. Much of our work is done in partnership with other community organizations that share a common goal and mission with the JLG. The JLG’s impact on the network of services in Greenwich is widespread. While its role may no longer be directly visible, many of the services that have touched the lives of Greenwich residents were conceived, initiated and implemented by the Junior League of Greenwich. The JLG launches and administers projects for approximately two to ten years, usually turning them over to an existing agency or organization. Some projects become independent entities. Past Junior League of Greenwich partners include:

Abilis	Greenwich Department of Health
American Red Cross, Greenwich Chapter	Greenwich Department of Housing
Audubon Center of Greenwich	Greenwich Department of Parks and Recreation
Board of Education	Greenwich Historical Society
Boys & Girls Club of Greenwich	Greenwich Library
Bruce Museum	Greenwich YMCA
Community Centers, Inc.	Greenwich United Way
Children's Day School	Kids in Crisis
Commission on Aging	Mothers for Others
Community Answers	Nathaniel Witherell
The Den	YWCA Of Greenwich
Family Centers, Inc.	
Greenwich Adult Day Care	
Greenwich Center for Healthy Living	

2014-15 Grants

The purpose of the Junior League of Greenwich's Community Grant awards is to provide financial support to areas of community need that are not being met by current JLG projects or programs. The grant is intended to fund new initiatives or expand programs and services relating to significant community needs, not subsidize existing programs

2014-2015 Community Grant Winners:

Safe Rides Program - \$5,000

Safe Rides Program is designed to save the lives of teens that may be in a vulnerable position by being in need of a safe form of transportation home. It is run by a partnership between the Greenwich Youth Services Coordinator and the First Selectman's Youth Commission, with support from the Greenwich Police Department.

This year's grant award went in full in the amount of \$5,000 to the Greenwich Youth Services Coordinator, which is a public/private partnership position established with the United Way, the Town of Greenwich and the State Department of Education Youth Services Bureau to plan, evaluate, coordinate and implement a network of resources and opportunities for children, youth, and their families.

2014-2015 Community Service Award:

Each year, the Junior League of Greenwich honors a local high school senior girl who exemplifies our mission and whose volunteer activities show a significant and sustained commitment to both community service and leadership. Our Community Council, which is comprised of the President Elect, the Community Director and all the project chairs, reviews the applications and votes on the winner.

Izabela Horzempa, Greenwich High School - \$2,500

Izabela Horzempa was a senior at Greenwich High School and was an exceptional student. She was a member of the National Honor Society, a national gold medalist and a silver state medalist for her ceramic art work. She raised more money as Homecoming Chair than anyone previously. In addition, she tutored disadvantaged youth. Izabela's high school guidance counselor stated she is "unequivocally the most impressive and amazing young person I have met in the sixteen years as a guidance counselor". Izabela was accepted to Fairfield University and uses the Community Service Award to help fund her college tuition.
