Dear Friends,

The Junior League of Greenwich has been making a significant impact on our community for almost 60 years by fulfilling its mission of promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its projects and programs are addressing real needs in the community.

The 2015/2016 year was an exciting time for the Junior League of Greenwich as it continued to expand its reach and impact through its community work. Some of the project highlights include: our self-empowerment programs, PositivelyMe! and Positively More, which target 3rd and 6th grade girls respectively, and reach over 300 local girls each year; the inception of our Young Women’s Breast Cancer Support Group; our transition of the Greenwich Youth Film Festival to the Garden Education Group; our many New Member projects including a renovation of the teen room at the Boys and Girls Club, Baby Bundles and New Mommy Bundles to benefit Neighbor to Neighbor, renovation projects at Kids in Crisis, a Viva Las Vegas event at Riverhouse Adult Day Care; and lastly, Done in a Day, which held various events around town including but not limited to: a food drive to benefit Neighbor to Neighbor, floral arranging for seniors at Community Centers Inc., a community lecture on concussion injuries, a women’s self defense course, Police Day in downtown Greenwich, the 10th Anniversary of our Casino Day at Nathanial Witherell and a backpack program for Greenwich Public Schools. It was also an honor to present the Community Service Awards and Community Grants to deserving recipients.

Additionally, this was a significant year for the Greenwich Pool in Byram Park project and the public-private partnership between the Junior League of Greenwich and the Town of Greenwich. With construction funds released by the Board of Estimate and Taxation, construction of the new community pool began and is expected to be completed in 2018. The Junior League’s Greenwich Pool in Byram Park Capital Campaign Committee formed a distinguished Campaign Advisory Committee and began the campaign.

Our fundraisers also saw great success. The Enchanted Forest welcomed almost five thousand visitors in November and provided a wide range of entertainment for children and adults. Touch a Truck, our June event, brought over three thousand visitors to Greenwich Town Hall to enjoy a multitude of trucks to climb and entertainment, such as bouncy castles, sports, crafts and live music as well as showcased some of our community partners.

These are just some of the varied projects and programs that were successfully executed by the hard working members of the Junior League of Greenwich during the 2015/2016 year. On behalf of its nearly 700 members, the Junior League of Greenwich thanks you for your continued support in helping the Junior League make a lasting difference to the Greenwich community and allowing it to utilize and develop its leadership talents in such a significant way.

The Junior League of Greenwich has played a major role in designing and establishing a wealth of services for its community. Much of the work is done in partnership with other community organizations that share a common goal and mission with the JLG. The JLG’s impact on the network of services in Greenwich is widespread. While its role may no longer be directly visible, many of the services that have touched the lives of Greenwich residents were conceived, initiated and implemented by the Junior League of Greenwich. The JLG launches and administers projects for approximately two to ten years, usually turning them over to an existing agency or organization. Some projects become independent entities.

JLG 2015-2016 COMMUNITY GRANT AWARD

Community Grant Award
Each year the Junior League of Greenwich awards up to $5,000 to a community organization to provide financial support for a community need that is not being met by current Junior League projects or programs.
