Dear Friends,

The Junior League of Greenwich has been making a significant impact in our community since 1959. We are a dynamic and diverse organization of nearly 700 women whose mission is to promote voluntarism, develop the potential of women and improve the community through the effective action and leadership of trained individuals. Our purpose is exclusively educational and charitable.

The Junior League of Greenwich researches and identifies community needs. Through the funds we raise, we then initiate programs that meet these needs and then work in partnership with other civic organizations and agencies. The 2016-2017 year was an exciting one for the Junior League of Greenwich as it continued to expand its reach and impact through its community work. Some of the project highlights include: girls’ self-esteem programs Positively Me!, which celebrated 10 years this year, and Positively More. Additionally, our Done in a Day and New Member Committees successfully partnered last year with several town agencies, organizations and other non-profits this year such as The Bruce Museum, The Boys & Girls Club, Nathaniel Witherell, Neighbor to Neighbor, Abilis, the Greenwich Senior Center, Kids in Crisis and more. As we always strive to bring innovative programs to town residents, the Community Project Development Committee cultivated, organized and held an extraordinary pilot called Boys Achieving More, or BAM!, for 5th grade boys at Camp Seton.

These programs are delivered through the funds raised via The Enchanted Forest, Children’s Concert, Touch-a-Truck and our Annual Fund. Lastly, our current big focus is the Greenwich Pool in Byram Park Capital Campaign. We started with a ground-breaking in August, 2016 and continued to work on raising funds for this public-private partnership between the Junior League of Greenwich and the Town of Greenwich. The construction of the new community pool is well underway and is expected to be completed in 2018.

These are just some of the varied accomplishments, projects and programs that were successfully executed by the hard working members of the Junior League of Greenwich during the 2016-2017 year. A remarkable aspect about the Junior League of Greenwich is not what we do, but how we do it. It is simple – we do it through the support we receive from all of you, the community, from both residents and businesses alike. Without that support, the League could not deliver the wide range of services to hundreds of our fellow residents, from the smallest children to our wonderful seniors. On behalf of our members, the Junior League of Greenwich thanks you for your continued support in helping us make a lasting difference to the Greenwich community.

All our best,
Sue Moretti Bodson
2016-2017 President, Junior League of Greenwich

The Junior League of Greenwich has played a major role in designing and establishing a wealth of services for its community. Much of the work is done in partnership with other community organizations that share a common goal and mission with the JLG. The JLG’s impact on the network of services in Greenwich is widespread. While its role may no longer be directly visible, many of the services that have touched the lives of Greenwich residents were conceived, initiated and implemented by the Junior League of Greenwich. The JLG launches and administers projects for approximately two to ten years, usually turning them over to an existing agency or organization. Some projects become independent entities.

JLG 2017 COMMUNITY GRANT AWARD

Each year the Junior League of Greenwich awards up to $5,000 to a community organization to provide financial support for a community need that is not being met by current Junior League projects or programs. The grant is intended to fund new initiatives or expand programs relating to community needs, not subsidize existing programs, and is presented in the Spring of each year.

The Junior League of Greenwich Proudly Presented its 2017 Community Grant Award to Abilis

Abilis was awarded a grant of $5,000 to launch a new activities program, “Cooking and Crafts,” for children with disabilities in the 4th-8th grade level. The program consists of eight monthly Saturday classes with the goal of nurturing interests, social skills and friendships beyond the school environment. There is a gap in Saturday morning programming options for children with special needs. Most children have sports and other activities, while children with special needs do not have that opportunity. While the children are in class, Abilis offers several parent programs during the year on topics of interest, such as middle school and high school transition planning, presented by Abilis staff and professionals.

JLG 2017 COMMUNITY SERVICE AWARD

Each year the Junior League of Greenwich presents a Community Service Award. The award recognizes an outstanding local high school senior girl who exemplifies the Junior League’s mission and whose volunteer activities show a significant and sustained commitment to community service and leadership. This past year the Award was presented to one outstanding female student.

Congratulations to Kasey Luo

The winner of the 2017 Junior League of Greenwich Community Service Award was Kasey Luo. She is a resident of Cos Cob, CT and as a senior at Rye Country Day School demonstrated initiative by founding Major Leagues. Major Leagues assembles groups of musicians and singers to rehearse and perform musical repertoires at local nursing homes. Kasey intends to use the funds from her Community Service Award while in college to kick start an organization similar to Major Leagues. The Greenwich community is very fortunate to have Kasey as a member who makes a powerful impact.

The Junior League of Greenwich and the Town of Greenwich have partnered to create a very special place. The Greenwich Pool in Byram Park will provide all Greenwich residents with a place to gather, relax, swim, picnic and play. A newly revitalized Byram Park on Long Island Sound will welcome the community in the summer of 2018.

This project would not have been possible without the public-private partnership and the Junior League’s assurance of community support.

We sincerely appreciate the many committed JLG volunteers who have contributed their time, hard work and enthusiasm. And thank you to the donors who have jumped in by participating in the $2.5m Capital Campaign to bring this marvelous revitalized park to life.
To Junior League of Greenwich

"The memory of a good deed can never be taken from the heart of one who is grateful."

Thank You

So much for the wonderful Christmas Tree, my girls! I am filled with joy to have one for Christmas.

God Bless
Happy Holidays

Dear Junior League,

Thank you so much for the red goodie bag!

I will learn so much.

THANK YOU
Junior league!
